- 2. Approval of April 14, 2009 and June 2, 2009 Meeting Minutes.** Held for lack of quorum.
- 3. Review of submissions for exemplary bicycle/pedestrian streets in OTO area.**  
There have not been very many nominations yet. Some at the table thought they might have some additional projects/programs to submit. It was decided to offer one more chance for more nominations.
- 4/5. Review of Priority Submissions/Discussion on Prioritization Process.** The current submissions were reviewed. Priorities were received from Battlefield, City Utilities, Greene County, Ozark Greenways, Springfield, and Willard. Discussion of the prioritization process revolved around giving priority to bikeways and sidewalks. It was decided to give the remaining communities one last chance to submit their priorities.
- 6. Other Business.** The continued lack of quorum brought forth the suggestion that the next meeting be held at a more southerly location.
- 7. Adjournment:** Adjourned.
