Diane Gallion, City Utilities Transit  
Scott Kosky, OATS, Inc.  
Leslie McCafferty, Burrell

Andrew Seiler, MoDOT Southwest District  
Linda Starr, Springfield Workshop  
Cari Wright, SCIL

---

### STAFF PRESENT

---

Natasha Longpine   Curtis Owens

---

### 1. WELCOME AND INTRODUCTIONS

---

Introductions were made of everyone in attendance.

---

### 2. MAY 26, 2011 MINUTES

---

Linda Starr made the motion to approve the May 26, 2011 Meeting Minutes and Diane Gallion seconded. The motion passed unanimously.

---

### 3. 5310 APPLICATION SCORING

---

Two 5310 applications were received from Burrell and the Springfield Workshop. Burrell applied to replace a van because of its high mileage and inefficiency of upkeep. This van would be replaced with a raised roof van that would be used to transport clients in the Psycho-Social Rehabilitation program. Burrell received the following points:

Need – 13; Usage – 10; Services – 12.3; Special Agency Situations – 5; Service Hours – 10; TOTAL – 50.3

The Springfield Workshop applied for a new van to transport employees to and from appointments during work hours and occasionally to and from urgent medical care. Springfield Workshop received the following points:

Need – 0; Usage – 10; Services – 25; Special Agency Situations – 7; Service Hours – 10; TOTAL – 52

## OZARKS TRANSPORTATION ORGANIZATION

---

---

Scott Kosky motioned to recommend Springfield Workshop as first priority for a vehicle and Burrell as second priority. Cari Wright seconded and the motion passed unanimously.

---

### 4. 5316 APPLICATION SCORING

---

City Utilities was the sole applicant for 5316 Funding. City Utilities is requesting the full amount of available funding for continuation of providing fixed route bus service for four routes – Line 8 Norton, Line 10 Cedarbrook, Line 11 Sunshine, and Line 15 E. Kearney. City Utilities received the following points –

Demonstrated Need – 30; Cost Effectiveness – 20; Project Oversight – 20; Project Coordination – 15; Sustainability – 10; Project Equity – 5; TOTAL – 100

Leslie McCafferty motioned to approve the full funding amount for the CU 5316 Application. Linda Starr seconded and the motion passed unanimously.

---

### 5. 5317 APPLICATION SCORING

---

City Utilities was the sole applicant for 5317 Funding. City Utilities is requesting the full amount of available funding for ADA accessibility projects, including bus shelters, bus benches, concrete pads, sidewalks, curb cuts for accessibility to stops. This project is in coordination with MoDOT and the City of Springfield along fixed route transit. City Utilities received the following points –

Demonstrated Need – 30; Cost Effectiveness – 20; Project Oversight – 20; Project Coordination – 15; Sustainability – 10; Project Equity – 5; TOTAL – 100

Leslie McCafferty motioned to approve the full funding amount for the CU 5317 Application. Cari Wright seconded and the motion passed unanimously.

---

### 6. OTHER BUSINESS

---

The next meeting will likely be scheduled in August and will address the update to the Transit Coordination Plan.

---

### 7. ADJOURN

---
