

Concerning: Speed of Traffic on Bennett and Delaware

Name: Kevin Ray Evans

Type: Point

Date: 2/13/2020

Coordinates: [-93.26684474945068,37.189040194277894]

Category: pedestrian-point

Comment: Bennett is a speedway through here even though there is a very well marked crossing. Can we add some solar flashing lights, maybe push on demand variety. It is only 1/2 block north of Delaware Elementary.
