

STIP PROGRAMMING PRIORITIES

- Additional funds for the 60/125 Interchange (\$4 million)
- The 160/CC and 160/AA Intersection projects are being phased (160/CC in FY23 and 160/AA in FY25)
- I-44 will include widening from US65 to Glenstone (unless an INFRA award is received then the project will extend to West Bypass)
- James River Freeway widening from National to Kansas Expressway in FY22
- ITS Improvements to continue to build out the network in FY21
- Widening of Route CC from 22nd to Fremont in FY25
